SECURITY INFORMATION

241-CRIAG

16 May 1952

SUBJECT: Pine Tree Team

TO: Chief, DYCLUCK

INFO: Chief, DYCLUCK

Washington, D. C.

ATTN:

ATTN:

1. XNMALIEDICT leaders called on yesterday to discuss, among other things, the Pine Tree team.

2. Leaders state and are in correspondence with Happold, and write the following:

A. Identities (1) and (2) are working only in behalf of Kaempfer and use every means to discredit HTMEIGH.

B. and fear for their lives and believe Identities (1) and (2) plan to kill them when the opportune moment arrives.

C. and ask Happold to use a mail cut-out, through which they are corresponding, to send them support so they can break away from Identities (1) and (2) and establish an independent operation.

3. There may be a shred of truth in the foregoing but Gallogly doubts it.

4. XNMALIEDICT leaders know that the Red team, comprised of Ockleshaw elements, is again active. Also, they distrust Kaempfer elements. They are thus anxious to have an XNMALIEDICT team of their own to spread the XNMALIEDICT gospel and possibly to discredit Ockleshaw and Kaempfer -- possibly to slip the knife into HTMEIGH here and there, too, if the opportunity presents itself.

5. suggests HTGHUBBY might broadcast to Pine Tree that they should not write their exiled leaders except through authorized channels (for their own safety), but in order to let their leaders know they are happy and get on well as a group they should send out a letter signed by all expressing their desire to continue as a team.

6. This letter can be passed along to Happold to refute his case.

Chief
